

CISEM 2026

International Conference Statistics & Econometrics

May 15 - 16 - 17, 2026
Mahdia Palace
TUNISIA

Call for papers

The Faculty of Economics and Management of Mahdia (FSEGMA), in partnership with the University of Monastir and the Scientific and Cultural Association of FSEGMA, organizes the **5th edition** of the

International Conference on Statistics and Econometrics CISEM 2026

This international scientific event builds on the success of the previous editions :

- ✓ **CISEM 2017** chaired by Professor Jean-Marie Dufour (McGill University, Canada),
- ✓ **CISEM 2019** chaired by Professor Eric Renault (University of Warwick, Royaume-Uni),
- ✓ **CISEM 2022** chaired by Professor Christian Francq (University of Lille, France),
- ✓ **CISEM 2024** chaired by Professor Nizar Touzi (New York University, USA).

Each of these gatherings brought together nearly one hundred Tunisian and international researchers and speakers, fostering rich scientific and academic exchanges.

The **5th edition** will be held in Mahdia (Tunisia) from May 15 to 17, 2026. The event will offer plenary lectures delivered by distinguished speakers, along with scientific papers selected for their relevance, quality, and contribution to the conference themes.

Participants are invited to submit their proposals (full paper or 2-page abstract) by email to the following address :

cisem.tunisia@gmail.com before **March 10, 2026**.

Original contributions addressing, but not limited to, the following topics are welcome :

Data Analysis; Big Data and Artificial Intelligence; Biostatistics; Copulas; Applied Econometrics; Financial Econometrics; Production Econometrics; Innovation Econometrics; Epidemiology; Case Studies; Randomized Experiments; Operations Management; Meta-heuristics; Statistical Quality Methods; Micro-econometrics; Random models; Gaussian Mixture Models; Graphical Models; Optimization; Design of Experiments; Forecasting; Stochastic Programming; Operations Research; Time Series; Simulation; Six sigma; Simulation; Six Sigma; Applied Statistics; Financial Statistics; Mathematical Statistics; Statistics for Social Sciences; Spatial Statistics; Graph Theory; Image Processing; Data Visualization.

Scientific Committee Chair

Jean-Michel Poggi

Paris Cité University and Paris-Saclay University, France
